

TalkRiskGroup.com - Cookie Policy

Introduction

Like most websites, this website uses Cookies. Otherwise known as a type of tracking software, a cookie is a small, unique, text file that is sent to your browser from a web server and stored on your computer's hard drive. Most web browsers allow some control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit www.allaboutcookies.org.

Cookies we use

We use Google Analytics tracking cookies to collect anonymous traffic data about how visitors use our site. We use the information to compile reports and to help us improve the site.

The cookies collect information in an anonymous form, including the number of visitors to the site, where visitors have come to the site from and the pages they visited. To opt out of being tracked by Google Analytics across all websites visit <http://tools.google.com/dlpage/gaoptout>. This means that Google use cookies to track visits to the site. We are not responsible for the use or data collected in cookies that Google may set.

We also run cookies for Facebook advertising, which tracks the visitor and allows us to communicate with you after you've left the website.

We run cookies to aid the management of the site and for the purposes of authentication, registration and taking payment. We also use cookies to store session information and improve the subscribers experience when using the service.

What types of cookies do we use?

The below list details the cookies used in our website.

COOKIE	DESCRIPTION	
wpEmojiSettingsSupports	Essential Cookie	Used to run the system

COOKIE	DESCRIPTION
cdnjs	Essential Cookie - Traffic optimization and distribution, IP address is collected
Google LLC	Non-Essential Cookie - Google Analytics 4 is a web analysis service provided by Google LLC ("Google"). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network.
